10. That I shall be bound to make good the loss accruing to Government and the arrack shop keepers by short stock or no stock of spirits in the said depots or of ganja in the said treasuries by my neglect or carelessness in not conveying the necessary supplies or spirits or ganja to the depot or the taluk treasury respectively within the time allowed for transit to me.

11. That as my liability under this contract commences on delivery to me of the spirits' casks or cases and ganja cases at the Mysore and Railway Stations all further liability or responsibility to account for the spirit or ganja as the case may be in those receptacles thenceforth shall rest with me till they are safely delivered at the destination with the seals intact and with no tampering or extraction of the contents, and any diminution from any cause whatever (acts of God, Vismajor and State's enemies excepted) shall be made good by me at the prevailing rate of duty and price per gallon of arrack 35 U. 12. That in the event of the breakdown of the lorry during the transit for any cause whatsoever, I shall be bound to make other arrangements for the quick transit of the casks and cases of spirits and cases of ganja or the empty return casks to their respective destinations and that in the event of my failure to do so, it shall be competent to the Deputy Commissioner to make any arrangements at my cost that my liability contemplated in condition 11 *supra* and shall not cease thereby.

13. That this contract shall not be transferable except with the consent of the Deputy Commissioner and subject to the approval of the Excise Commissioner.

14. That for the due fulfilment of the term of this contract, I hereby deposit in the District Treasury at Mysore a sum of Rs. in cash or approved Government securities duly endorsed in favour of the Comptroller to the Government of Mysore.

In the event of my contract being cancelled I shall be bound to make good any loss that might accrue to Government for the remaining period of my contract by any subsequent disposal of the contract or by any other arrangement and shall not be entitled to participate in any profit that might accrue to Government by such disposal. It shall be competent to the Excise Commissioner to deduct from my remuneration bills, any amount that may be due to Government on account of diminution in the contents, as stated in condition 11 *supra*, short stock and no stock in depots or treasuries and fines imposed on me or my employees.

That the imposition of a fine or the forfeiture of the deposits or the cancelment of the contract shall not be held to prevent prosecution of any of my employees or myself for any offence committed under any law for the time being in force.

5. The earnest money in the case of all unsuccessful tenders will be duly returned to them in person or at their cost if by post.

Conditions.

(*a*) That the contractor shall be ever ready during the period of contract to employ as many number of coolies who know how to work at sandal so as to turn out the allotted quantity every week, fortnight or month as may be assigned.

(*b*) That in case the contractor fails to employ the required number of coolies required so as to turn the allotted quantity of prepared wood at any time, the officer in charge of the Koti shall make his own arrangements for the preparation of the wood by employing coolies making the contractor liable to pay up the cost even though it may happen to be extra. The contract will also be liable for cancellation at the discretion of the District Forest Officer on account of default.

(*c*) The Koti preparation work will be commenced at 8 A.M., and continued till 6 P.M., every day with an interval of an hour or two from 12 NOON.

(*d*) The available tools in the Koti shall be spared for work and in case the number of coolies are more in number than the tools available, the contractor should himself provide the extra tools required. (*g*) That payments will be made to the contractor after the wood is prepared, classified, weighed and put into lots in the koti lot room once every month generally at the close of the month. The assortment includes the putting up into lots of white wood of different classes also.

N.B.—As a rule higher rates are payable for the superior classes of prepared wood and less for chilta classes. Hence two different rates should be quoted in the tender one for the out turn of superior classes and the other for chips and milva chilta since the object aimed at is that care should be taken by the contractor to see that the koti preparation work is conducted so as not to waste heartwood by conversion into chips.

After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The moneys shall be paid into such treasury as the District Forest Officer may direct, within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in, shall be forfeited to Government and all or any portion of the timber not fully paid for, shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

The earnest money will not be adjusted towards the value of timber, until 90 per cent of the purchase money over and above the security deposit has been paid.

Notification dated 13*th June* 1929.

The undermentioned quantities of timber, will be sold by public auction under the following conditions at the following Depots by the District Forest Officer or other officer deputed by him on the dates noted against each :—

	Name of Depot	Date of sale	Teak round	Remarks
1	Horogoppa, Temporary Depot	Wednesday, 26th June 1929.	1,000	More or less

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale. But defaulters to the Department will not be allowed to bid at the sales.

(*a*) In the case of purchasers of timber in small quantities, full value thereof will be accepted, if tendered on the spot and the payment of deposit in such cases will not be insisted upon.

2. Any person bidding at the sale, may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale, can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 500 in each case are subject to the confirmation of the Conservator and in other cases to that of the District Forest Officer.

5. After conclusion of the sale, each purchaser shall pay full value of the timber in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment. Should any purchaser fail to comply with this rule, the initital deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of Land Revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for immediately after the sale.

8. If the amount is not fully paid for by the purchaser before the date fixed above, the initial deposit as well as the other moneys already paid in, shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale; and no timber shall be removed from the Depot unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber, until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase, will remain in the Depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

13. Timber of the defaulters of previous sales will also be sold.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason therefor. Should any lot be disputed, it shall again be put up and sold.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of notice of confirmation of the sale, whichever is later. The moneys shall be paid into such treasury as the District Forest Officer may direct, within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in, shall be forfeited to Government and all or any portion of the timber not fully paid for, shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale; and no timber shall be removed from the Depot unless a permit is obtained from the Forest Officer in charge of the Depot. The earnest money will not be adjusted towards the value of timber, until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase, will remain in the Depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. The sale is subject to the confirmation of the Chief Conservator of Forests.

5. After conclusion of the sale, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. (*h*) That if any tree other than the one bearing the departmental stamp impression or a tree that he has not purchased is felled, he will pay a fine not exceeding Rs. 15 for each tree.

(*i*) That the timber paid for, but not removed within six months of the termination of the contract, shall lapse to Government.

(*j*) That he agrees that such timber as may not be paid for before the 30th June 1930, shall lapse to Government.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale. But defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers of timber in small quantities, full value thereof, will be accepted if tendered on the spot, and the payment of deposit in such cases will not be insisted upon.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. The highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case, are subject to the confirmation of the Conservator and in other cases, to that of the District Forest Officer.

5. After conclusion of the sale, each purchaser shall pay per 25 cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer, for the unsold wood and the amount still due from him which will be recovered as arrears of Land Revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 8 days after the date of the notics of confirmation of the sale. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

No extension of time will be given for the payment of any amount, but if any amount is permitted to be paid after the due date interest will be charged therein at 9 per cent per annum.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in, shall be forfeited to Government and all or any portion of the timber not fully paid for, shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 25 per cent deposit paid for the lot at the time of the sale; and no timber shall be removed from the Depot unless a permit is obtained from the Forest Officer in charge of the Depot. The earnest money will not be adjusted towards the value of timber, until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase, will remain in the Depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, for the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed.
